Total credits transferred.....	_____

## NOTES ON GRADUATING:

- Read the UTPB catalog and understand all requirements for the B. A. degree. It is the student's responsibility to be familiar with and fulfill all the requirements for the B.A. degree.
- Complete at least 120 semester credit hours for the B.A. degree.
- At least 48 credits must be at the junior or senior level. At least 30 of these must be completed at U. T. Permian Basin.
- Obtain at least a C average in all General Education and minor courses, and at least a C grade for all courses in Psychology counting towards the degree. Maintain at least a C average in all courses counting toward the B.A. degree.
- As of 2007, students enrolled in a Texas public institution of higher education as a freshman are **not permitted to drop more than six (6) courses** during their entire undergraduate career, including all transfer work taken at a Texas institution. (TX Administrative Code 4.10).

To plan your long-term schedule, know that PSYC 1301, 3301, 3304, 3104 and 4393 are taught each Fall and Spring and some Summers.

**Graduate School:** Students interested in graduate school should consider enrolling in **PSYC 4394** and the following courses:

CLINICAL TRACK: PSYC 3321 & 4351

EXPERIMENTAL TRACK: PSYC 3311, 3344, 4304, 4307, 4311, & 4351 (recommended for those planning to earn their MA at UTPB\*\*)

ACCELERATED MA PROGRAMS: Speak with a psychology advisor as soon as possible. Students must plan to enroll before earning 90 credits.
